A great 82nd for Mamma

'MAMMA' Lena Gustin, a well known welfare worker in Fairfield's Italian community, celebrated her 82nd birthday at the Fogolar Furlan club at Lansdowne recently.

More than 500 guests attended including Fairfield MP Joe Tripodi (pictured right with Josephine and Dr Franco Rasoni and her husband Dino). Mamma, as she is affectionately known, was a radio personality for many years and is now the president of the Sorella Radio Long Day Child Care Centre in Fairfield.
