Cari Lena e Dino

This is further to my visit on 9 August when I returned the box of photographs and papers not required for the processing of your collection.

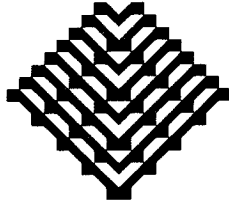

As mentioned, I have completed the listing of your fascinating archive and will shortly send you a copy. The listing will be included in a guide to the documentary material collected by The Italians in NSW Project, to be published next year. In 1995 we will mount an exhibition of selected items from the Italian collection, featuring some of your records. I will keep you informed of developments in these matters.

I am returning your copy of the gift form for your papers.

Your continued support of the Italians Project is greatly appreciated

Con affetto e cari saluti
