This album has been produced to raise funds toward the Queen's Silver Jubilee Appeal for Young Australians. All the artists represented on the LP have donated their tracks as a contribution to the Appeal and by buying the record you, too, have made a donation.

In co-ordinating the production of the album, the Silver Jubilee Commemorative Organisation wishes to thank all the artists and composers, the Australian Broadcasting Commission, the ABC-TV series 'Countdown', and the Australian record industry for making it possible.

We are also sincerely grateful to the publishers of the songs on this record for their generous co-operation.

Money raised by the Silver Jubilee Appeal will be used to benefit the present generation of young Australians and an infinite number of future generations. There can be no finer investment.
