Dear Lena

Just a note to say
how much I am enjoying
reading "Mamma Lena" +
as I'm reading, feeling that
I'm getting to know you
as a friend as well as a
colleague.

We are going away for

a few days²⁻³ this week. As soon
as we get back, I'll try and
put down a few thoughts on
paper in connection with
Education for Employment,
as far as migrant women
are concerned, & send it on to
you to see what you think of it.

Sincerely,

Joyce McConnell.

P.S. The family (& myself) have
appreciated the Italian cake!
